

## Note:

If you would like to be added to an email list for Bay Bridge Airport please provide your full name and email address to [LSteiner@QAC.org](mailto:LSteiner@QAC.org). The Airport will be sending out notifications of information pertinent to the Airport and our operations only (for example, planned runway closures for projects, etc), on an as needed basis. You will not receive any emails promoting activities, businesses, or sales.

Information can change rapidly and it is imperative that you still check NOTAMS before each and every flight for the most current and updated information. Being on the email list does not exempt you from your responsibility to check NOTAMS. Emails will **not** be sent every time a NOTAM is issued, it depends on the nature and duration of the NOTAM.

Your email address and the list as a whole will not be shared with any individual or entity. You are responsible for updating your email address with Airport management if it changes. You may ask to be removed from the list at any time.

Thank you,

Airport Management
