MOTION: I MOVE TO APPROVE AND SIGN THE CV-1-8 EMERGENCY RENTAL ASSISTANCE & QUARANTINE SHELTERING GRANT AGREEMENT AND PROGRAM FORMS

**MARYLAND COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
COVID – ROUND 1
GRANT AGREEMENT**

This Maryland Community Development Block Grant Program (CDBG) Grant Agreement (this "Agreement") by and between the Maryland Department of Housing and Community Development, a principal department of the State of Maryland ("DHCD"), and the **COUNTY COMMISSIONERS OF QUEEN ANNE'S COUNTY**, a political subdivision of the State of Maryland ("Grantee"), is entered into as of the date it is executed by DHCD (the "Effective Date").

WHEREAS, the federal Department of Housing and Urban Development ("HUD") has authorized the State of Maryland (the "State") to distribute and administer supplemental federal Maryland Community Development Block Grant ("CDBG") funds received under the Coronavirus Aid Relief, and Economic Security Act signed into law on March 27, 2020, which is subject to the Housing and Community Development Act of 1974, as amended, for the purpose of preventing, preparing for and responding to coronavirus;

WHEREAS, the Maryland General Assembly has appropriated federal CDBG funds to DHCD in order to establish and administer the Maryland CDBG Program, which program is more fully described in the Substantial Amendment to the Consolidated Plan-Action Plan dated **SFY20/FFY19** (the "Consolidated Plan") issued by DHCD; and

WHEREAS, the Grantee has applied to the State for CDBG funds for the project(s) described in Grantee's application (the "Project") and the Project(s) has been selected for CDBG funding on the basis of the Consolidated Plan.

NOW, THEREFORE, in consideration of the foregoing, and subject to the conditions contained herein, DHCD and the Grantee agree as follows:

1. **Purpose of Agreement.** The purpose of this Agreement is to provide the Grantee with funds which will enable the Grantee to carry out the Project(s), the approved scope of work for which is described in the attached Exhibit A. The Project activities are designed to satisfy the CDBG national objectives of **Benefit to Low and Moderate Income Persons – Housing and Benefit to Low and Moderate Income Person – Limited Clientele** (the "National Objective").
2. **Grant Funds Provided.** In consideration of the various obligations to be undertaken by Grantee pursuant to this Agreement, DHCD agrees to provide Grantee with funds in an amount not to exceed **\$90,200** (the "CDBG Grant") subject to the terms and conditions set forth in this Agreement and to the availability of federal funds.

3. Authorized Uses of Grant Funds. Grantee agrees to use the CDBG Grant funds only for the Project(s) activities within the Grantee's jurisdiction, described in Exhibit A.

4. Expenditure of Grant Funds.

a. The Grantee shall use the CDBG Grant funds only in accordance with the Grant budget outlined in Exhibit B (the "Grant Budget"), and shall not expend more than the amount allocated for any project in the Grant Budget without the prior written consent of DHCD. However, the Grantee is permitted to make minor transfers between approved line items in the Grant Budget of the CDBG Grant Agreement of up to 10% total without the prior written consent of DHCD unless the transfer of funds would increase the Project Administrative line item.

b. Grantee must expend and request 25% of grant funds within 180 days of the award approval date. If Grantee fails to meet this requirement, DHCD shall have the right to evaluate performance and recapture funds from the CDBG grant.

c. Grantee must expend and request 50% of grant funds within 365 days of the award approval date. If Grantee fails to meet this requirement, DHCD shall have the right to evaluate performance and recapture funds from the CDBG grant.

d. If the application was submitted on behalf of eligible Subrecipients (as set forth in Exhibit A), the Grantee shall either distribute the CDBG funds to such Subrecipients to implement the Project(s) or the Grantee may implement the Project(s) on behalf of the Subrecipients.

e. Grantee may incur costs for the Project(s) to be charged against the CDBG Grant funds as of the date of the award. Notwithstanding the foregoing, in the event that emergency rental assistance is identified as an approved Project and is set forth in Exhibit A and Exhibit B, Grantee may seek reimbursement for rental arrearage beginning with May 1, 2020.

f. If, upon completion of the Project(s), there are cost savings, such amounts shall revert to DHCD and other funding sources unless DHCD has determined, in its sole determination, that the Grantee may retain a portion of the savings. Unless superseded by federal program requirements, DHCD's determination of whether to permit Grantee's retention of a portion of the cost savings will be based upon the relative proportion of investment in the Project(s) by the Grantee, DHCD and other parties providing funding.

5. Compliance with Certain Federal Requirements.

a. The Grantee shall undertake the Project(s) in accordance with regulations adopted by HUD contained in 24 CFR Part 570 governing the CDBG Program, a copy of which previously has been or will be provided to Grantee, the regulations set forth in 53 FR 22569 (June 16, 1988) related to Restrictions on the Award of Certain Contracts and Subcontracts to Foreign Countries, a copy of which previously has been or will be provided to Grantee, and all directives, policies, and procedures as adopted from time to time by HUD.

b. The Grantee also agrees to be bound by the certifications and covenants set forth in Exhibit E and, if applicable, Exhibits E-1 and E-2.

c. The Grantee shall conduct and administer the grant in conformity with Title VI of the Civil Rights Act of 1964, 42 USC §§2000d et seq and the Fair Housing Act, 42 USC §§3601-20, in addition to other regulations identified in Exhibit E.

d. The Grantee hereby certifies that it has or will adopt, within a reasonable time after the date of this Agreement, and enforce a policy, satisfactory to the Department that prohibits the use of excessive force by law enforcement agencies within their jurisdiction against any individuals engaged in nonviolent civil rights demonstrations.

6. Project Commencement and Completion; Changes.

a. Grantee shall commence the Project activities described in Exhibit A as of the Effective Date unless any special condition set forth in Exhibit A requires that Grantee undertake additional action before proceeding with a certain activity. In such instances, the Grantee shall initiate action in order to satisfy the special condition following the Effective Date.

b. The Grantee shall expend all grant funds for Project activities on or before **July 31, 2022** ("Grant Period"), in accordance with the Grant Implementation Schedule set forth in Exhibit C.

c. In the following instances, it shall be necessary for DHCD and Grantee to execute an amendment of this Agreement:

(i) Grantee is proposing the addition or deletion of a Project activity or the alteration of existing approved Project activities;

(ii) Grantee is proposing a budget revision resulting in a transfer in the Grant Budget (Exhibit B) of more than 10% of the CDBG Grant between identified CDBG funded activities or any increase to the Project Administration line item.

d. The Grantee shall ensure that all necessary approvals for the commencement of Project activities have been obtained, including all applicable permits and licenses.

e. The Grantee shall endeavor to obtain all certifications, licenses, permits and approvals, and shall otherwise endeavor to satisfy all requirements necessary to operate the Project.

7. Progress of the Project. If the Project(s) is not progressing in a manner satisfactory to DHCD, or the Grantee has violated a provision of this Agreement, prior to declaring a default, DHCD may require the Grantee and/or any Subrecipient to accept technical assistance DHCD feels is necessary for the Project(s) to proceed in a manner acceptable to DHCD.

8. Disbursement of Grant Funds.

a. After the Effective Date, submission of any reports required prior to disbursement as set forth in Exhibit D, and upon the satisfaction of any special conditions to the disbursement of CDBG Grant funds contained in Exhibit A, DHCD will disburse CDBG Grant funds to the Grantee upon DHCD's approval of a properly completed request for payment form signed by two authorized representatives of the Grantee.

b. Requests for payment may seek funds to pay for projected costs anticipated to be incurred as well as costs actually incurred. DHCD shall have the right at any time to request that the Grantee provide additional supporting documentation with any request for payment.

c. Payment procedures are explained in Exhibit F (Maryland CDBG Grant Payment Procedures), the CDBG Guidebook, and the CDBG Monitoring Handbook which has been or will be provided to the Grantee. Information found in Exhibit F will always contain the most current information and instructions to be used by a Grantee.

d. DHCD has the right to withhold disbursement of CDBG Grant funds if at any time DHCD has cause to determine that the Grantee is not performing or completing the Project(s) in accordance with the terms of this Agreement.

9. Records and Reports.

a. Grantee shall maintain accurate financial and management records in a form acceptable to DHCD of all transactions relating to the receipt and expenditure of CDBG Grant funds and administration of the Project. Grantee shall make these records, administrative offices and personnel, whether full-time, part-time consultants or volunteers, available to DHCD upon request. The Grantee shall retain said records for 5 years after the closeout date of the State's grant by HUD.

During the term of this Agreement, DHCD will monitor the Project to ensure that it is being undertaken or has been completed in accordance with the terms of this Agreement. In addition, the Grantee shall monitor the Project(s) in accordance with the requirements of DHCD and all applicable federal and State requirements.

b. Grantee shall provide DHCD with the records, reports and other documentation outlined in Exhibits A and D, the CDBG Guidebook, the CDBG Monitoring Handbook, and any additional reports as may be required by DHCD.

10. Default and Remedies.

a. A default shall consist of the breach of any of Grantee's covenants, agreements or certifications in this Agreement, including failure to satisfy the National Objective, or the expenditure of CDBG Grant funds for any use other than for the purposes itemized in the Grant Budget shown in Exhibit B or in an unauthorized manner.

b. Upon the occurrence of any default, DHCD shall have the right to terminate this Agreement by written notice to the Grantee. Grantee shall have 30 days from the date DHCD's notice was postmarked to cure the default. After the conclusion of this 30 day period, if Grantee has not cured or commenced curing the default to the satisfaction of DHCD, DHCD may at its option immediately terminate this Agreement. In the event of termination by DHCD:

(i) The Grantee's authority to request a disbursement shall cease and the Grantee shall have no right, title or interest in or to any of the CDBG Grant funds not disbursed;

(ii) DHCD may demand repayment from the Grantee of any amounts DHCD determines were not expended in accordance with this Agreement; and

c. In addition to the rights and remedies contained in this Agreement, DHCD may at any time proceed to protect and enforce all rights available to DHCD by suit in equity, action at law, or by any other appropriate proceedings, all of which rights and remedies shall survive the termination of this Agreement.

11. Indemnification. Grantee releases DHCD from, agrees that DHCD shall not have any liability for, and agrees to protect, indemnify and save harmless DHCD from and against any and all liabilities, suits, actions, claims, demands, losses, expenses and costs of every kind and nature, including reasonable attorney's fees, incurred by or asserted or imposed against DHCD as a result of or in connection with the Project. All money expended by DHCD as a result of such liabilities, suits, actions, claims, demands, losses, expenses, or costs, together with interest at a rate not to exceed the maximum interest rate permitted by law, shall be immediately and without notice due and payable by Grantee to DHCD.

12. Conflicts of Interest. Except for approved eligible administrative and personnel costs shown in the Grant Budget, none of the Grantee's designees, agents, members, officers, employees, consultants or members of its governing body or any local governmental authority exercising jurisdiction over the Project(s), and no other public official of the Grantee or such authority or authorities who exercises or has exercised any functions or responsibilities with respect to the Project during such person's tenure, or who is in a position to participate in a decision-making process or gain inside information with regard to the Project(s), has or shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed in connection with the Project(s) at any time during or after such person's tenure.

13. Applicability to Subrecipients and Contractors. Where performance of the Project(s) is to be carried out by any subrecipient or contractor of the Grantee, the provisions of this Agreement shall be made binding on such subrecipient or contractor by the Grantee. This shall be accomplished by a written agreement or contract between the Grantee and any subrecipient or contractor, which shall include, among other things, the certifications set forth in Exhibit E-2 where the amount a subrecipient or contractor receives exceeds \$100,000. Where the term "Grantee" appears in this Agreement it shall be interpreted to include any subrecipient or contractor of the Grantee. Grantee acknowledges and agrees that Grantee has the ultimate legal responsibility for ensuring compliance with the requirements of this Agreement and for any resolution of findings, concerns or issues including those resulting in repayment.

14. Program Director; Notices.

a. The Program Director of the Maryland CDBG Program shall serve as the representative of DHCD for this Agreement.

22. Delay Does Not Constitute Waiver. No failure or delay of DHCD to exercise any right, power or remedy consequent upon default shall constitute a waiver of any such term, condition, covenant, certification or agreement of any such default or preclude DHCD from exercising any such default or preclude DHCD from exercising any such right, power or remedy at any later time or times.

23. Execution. This Agreement and any amendments thereto may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement or amendment and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of copies of this Agreement or amendment and of signature pages by facsimile or by electronic transmission shall constitute effective execution and delivery of this Agreement or amendment as to the parties and may be used in lieu of the original Agreement or amendment for all purposes. - (1) If 50 percent or more of the contractor or subcontractor is owned by a citizen or a national of the foreign country;
 - (2) If the title to 50 percent or more of the stock of the contractor or subcontractor is held subject to trust or fiduciary obligation in favor of citizens or nationals of the foreign country;
 - (3) If 50 percent or more of the voting power in the contractor or subcontractor is vested in or exercisable on behalf of a citizen or national of the foreign country;
 - (4) In the case of a partnership, if any general partner is a citizen of the foreign country;

L 100-202.

- (b) Certification. - (c) Subcontracts. The contractor shall incorporate this clause, modified only for the purpose of properly identifying the parties, in all subcontracts. This paragraph (c) shall also be incorporated in all subcontracts.

GRANT PAYMENT PROCEDURES

PART I. INTRODUCTION

1. PURPOSE - The Grant Payment procedures outlined herein are designed to expedite the transfer of Maryland Community Development Block Grant (CDBG) funds from the State of Maryland Department of Housing and Community Development (DHCD) to an approved grantee.
2. OUTLINE OF SYSTEM - The following is an outline of the procedures necessary to process a CDBG grant payment request under the State of Maryland's CDBG Program.
 - a. The State of Maryland makes a determination that a local government will receive funds from the Maryland CDBG Program and announces the award. The Maryland CDBG Program in the Division of Neighborhood Revitalization of DHCD sends the local government two copies of the Grant Agreement, which includes Grant Payment Procedures (Exhibit F), Vendor Electronic Funds Transfer (EFT) Registration Request Form (Exhibit 1) and the Authorized Signatures Form (Exhibit 2).
 - b. The grantee executes the Grant Agreement, which includes two sets of required grant payment procedures and forms. The grant agreement and all forms are returned to the Maryland CDBG Director, Division of Neighborhood Revitalization, DHCD, 7800 Harkins Place, Lanham, MD 20706. The grant agreement should be sent back immediately upon signing and the grant payment forms (Exhibits 1 & 2) must be signed and returned prior to first request for payment. *NOTE: The name of the grantee should appear as it is listed in the CDBG Grant Agreement on all forms and accounts.*
 - c. The Maryland CDBG Program approves the completed forms and the grantee's account in the amount of its CDBG award is established in the State's STARS financial management system.
 - d. The Maryland CDBG Program furnishes the grantee a copy of Request for Payment Form (Exhibit 3).
 - e. Following the effective date of the Grant Agreement and the completion of the Environmental Review Record which results in the grantee receiving a completed Notice of Release of Funds Form (Exhibit 4), the grantee may request funds by completing the Request for Payment Form (Exhibit 3) and the Expenditure Tracking Form (Exhibit 3A) and submitting one original to the Maryland CDBG Program in order to meet the grantees' current cash disbursement needs.
 - f. The Maryland CDBG Program will review grantee's Request for Payment. The review will:
 - verify authorized signatures;
 - verify mathematical computations;
 - for appropriate activities, verify that the environmental clearance has been obtained and the notification of release of funds issued;
 - verify that sufficient grant funds are available;
 - verify that request will not exceed amount budgeted for the appropriate project activity;
 - determine that other applicable special conditions have been met; and

- verify that the CDBG Project Manager assigned to the grantee has not put a hold on grant payments.

The Maryland CDBG Program then forwards approved Request for Payment to the Department's Finance Division which processes and submits to the Comptroller's Office for payment.

- g. The State Treasurer's Office disburses the grant payment and electronically transfers funds directly to the grantee's designated depository for credit to its account.

PART II. POLICY

1. The grantee will establish a separate, non-interest bearing depository account in a financial institution insured by FDIC or FSLIC if funds will requested from the State on an advance basis.
2. The grantee shall inform the State on the Request for Payment and Status of Funds Form (Exhibit 3) as to whether it is using an advance or reimbursement system. The system selected must be followed throughout grant implementation.

ADVANCE SYSTEM - An advance is a payment made to a grantee upon its request before cash outlays are made by the grantee.

REIMBURSEMENT SYSTEM - A reimbursement is a payment made to a grantee upon request after cash outlays have been made by the grantee.

3. A grantee that invoices on a reimbursement basis exclusively may earn interest on its depository account.
4. Any interest earned on CDBG monies requested on an advance basis will be collected by the Maryland CDBG Program and returned to the U.S. Treasury.
5. Grant payments cannot be made for any project until the the Grant Agreement is executed by all parties and the CDBG Program has determined that all other possible conditions have been met.
6. The Request for Payment form (Exhibit 3) must be accurately completed or it will not be processed. If there are questions, please contact your CDBG Project Manager prior to request being made.
7. A request should be made allowing approximately thirty days to receive the CDBG grant funds. The payment will be electronically transferred by the Treasurer's Office following receipt and approval of a completed Request for Payment form (Exhibit 3) by the Maryland CDBG Program and DHCD Finance Division.
8. A grantee that submits a request for payment on an advanced basis may keep up to \$5,000 on-hand. Additional requests should be in an amount to meet current disbursement needs (defined as the funds to be expended within five working days of receipt). If a CDBG check is deposited on Friday, checks totaling the entire amount must be written by close of business the following Friday. Grantee's that request payment on a reimbursement basis are not subject to the five working day rule. All grant funds must be expended from grantee's account by the grant end date and any funds remaining on-hand will be recaptured.
9. A grantee may request a grant payment from DHCD as often as needed. Except for the final payment, the minimum amount that may be requested is \$5,000.

10. Any eligible project income, such as principal and interest payments from residential or commercial rehabilitation loan, deposited to the grantee's general CDBG account or to a subsidiary account for revolving loan purposes must, to the extent feasible, be disbursed by the grantee prior to a request for additional funds.

PART III. GRANTEE REQUIREMENTS

1. DESIGNATION OF DEPOSITORY - State of Maryland funds will be electronically transferred directly to the depository designated and authorized by the grantee for credit to the grantee's bank account. The grantee shall complete Vendor Electronic Funds Transfer (EFT) Registration Request Form (Exhibit 1) and the Authorized Signatures Form (Exhibit 2).

After the forms are completed by the grantee, send two originals to the Maryland CDBG Program, Division of Neighborhood Revitalization, Department of Housing and Community Development, 7800 Harkins Road, Lanham, MD 20706. The grantee shall retain a copy for your file. The Grantee shall execute a new Vendor Electronic Funds Transfer (EFT) Registration Request Form (Exhibit 1) whenever changes in the depository are made.

2. AUTHORIZED SIGNATURE FORM - The form for Authorized Signatures for Request for Payment on CDBG Account (Exhibit 2) must contain signatures identical to the typed names of the four individuals authorized by the grantee to co-sign the Request for Payment. The written and typed names must be identical on each form. The grantee shall submit the original forms to the Maryland CDBG Program at the address listed above and retain one set for local files. The person certifying the authorized signatures can not be listed as an authorized signature.

When the grantee submits a Request for Payment, the Maryland CDBG Program will accept only the signatures of persons named on the current signature form on file. A grantee therefore shall submit new signature forms whenever there is a change, including additions or deletions of the persons authorized to sign a Request for Payment. A change in the title or position of a person so authorized does not require another signature form if the person's authority to sign a Request for Payment remains unchanged.

3. REQUEST FOR PAYMENT FORM - The grantee shall execute one original of Request for Payment Form (Exhibit 3) each time it is determined that funds are required to meet current disbursement needs or to reimburse the grantee's advance of funds from another source.

The executed original form shall be mailed to the Maryland CDBG Program, Division of Neighborhood Revitalization, Department of Housing and Community Development, 7800 Harkins Road, Lanham, MD 20706. A copy is to be retained by the grantee for its records.

4. EXPENDITURE FORM - The Grantee is required to submit form Exhibit 3A - Expenditure Tracking Form when they submit each Request for Payment Form. This form is required at this stage rather than actual copies of bills to identify the specific expenses to be paid with the CDBG funds.
5. EXPENDITURE TRACKING FORM - LOCAL USE - The grantee is required to use and maintain form Exhibit 3B - Expenditure Tracking Form - Local Use. The purpose of this form when completed will assist the State in monitoring the grant and to assist the grantee with tracking expenditures.

RE: Tax Map 58D, Parcel 120

Dear Mr. Collison:

During routine inspections in your area I noticed your grass has not been cut. I have determined that you are in violation of Queen Anne's County Code *Chapter 19 Article II §19-2 L. (2) which states: A person may not allow any vegetation to grow higher than 12 inches on any lot or parcel that is: (a) Less than three acres in size; and (b) located in an approved or recorded residential subdivision or any part of which is within 200 feet of a neighboring residence.*

You have 7 days from the date of this letter to address the violation. If the grass on the entire lot is not cut, you may be issued a citation or Queen Anne's County may hire an independent contractor to cut the grass. Failure to pay the cost of the grass cutting within 15 days will result in a lien being placed against your property.

I can be reached at 410 758-4088 Monday thru Friday from 8am to 10am if you need to contact me.

Re: Town of Sudlersville – Request for Support

Attached is a letter from Maryland Environmental Service to the Town of Sudlersville. MES provides water and wastewater maintenance services to the town. The town has fallen behind with their monthly payments for this service. MES has issued a 60-day termination notice for continuing services unless outstanding bills are paid. The Town does not have the ability to pay off this debt and would like our help to assist them with the development of a plan. The plan would include a review of the town's finances and recommendations for a means to return to solvency. The Town is also in the process of developing an agreement with MES to extend their service contract for four additional months to ensure uninterrupted service.

Motion: I move to assist the Town of Sudlersville with a financial review and the development of a plan to return their public utility system to solvency.

Larry Hogan GOVERNOR

Boyd K. Rutherford LT. GOVERNOR

Charles C. Glass, Ph.D. DIRECTOR/CEO

July 2, 2020

The Honorable Ronald Ford
President of the Commissioners of Sudlersville
200 South Church Street
Sudlersville, MD 21668

Dear President Ford:

The Maryland Environmental Service (MES) has been contracted with the Town of Sudlersville, Maryland since February, 2006 to provide services in connection with the operation and maintenance of the town's water and wastewater facilities. The Commissioners of Sudlersville are obligated to compensate MES for those services according to the terms of the Contract. Operational budgets are submitted by MES annually and approved by the Town.

There is currently due and owing the sum of \$355,694.58 for services rendered and expenses incurred by MES through May 31, 2020. Pursuant to Section 504 of the Contract, MES may terminate the Contract for cause for the failure of the Commissioners of Sudlersville to make contract payments when due. This is to advise you that if full payment of the \$355,694.58 is not received by MES within sixty (60) days of the date of this letter, the Contract will be considered terminated.

MES reserves the right to institute legal proceedings against the Commissioners of Sudlersville before the effective date of termination for all outstanding amounts due under the Contract and the Promissory Note the Town previously signed. MES also

reserves the right to file a lien against the property served by MES pursuant to Md. Natural Resources Code Ann. Section 3-125.

Dear President Moran:

On behalf of Governor Larry Hogan and Lieutenant Governor Boyd K. Rutherford, it is my pleasure to inform you that Queen Anne's County's request for critical funding to assist with the impact of the coronavirus has been approved in the amount of \$90,200. This special allocation of Community Development Block Grant funds under the CARES Act is a valuable resource for the nation and the State of Maryland and will allow the County to help those in need.

This funding is conditioned upon execution of a grant agreement between the Department of Housing and Community Development (the Department) and the County. The Community Development Block Grant Program is administered by the Department through the Division of Neighborhood Revitalization. My staff is preparing an agreement that will be mailed to the County in the next week.

Again, congratulations on your award. If I may be of further assistance on this or any other matter, please do not hesitate to contact me or Ms. Cindy Stone, Director of Community Programs, at 301-429-7519 or via e-mail at Cindy.Stone@maryland.gov.

QA2018G005/01 - K. Hovnanian's Four Seasons at Kent Island, L.L.C. has applied for a permit to appropriate and use an annual average of 43,200 gallons of groundwater per day (gpd) and an average of 259,200 gpd in the month of maximum use for landscape irrigation for Phase I at the Four Seasons at Kent Island. The project is located on the north side of Piney Creek Road and east and west side of Castle Marina Road, Chester, Queen Anne's County, Maryland.

The irrigation wells are constructed to an estimated depth of 1190 feet in the lower sands of the Upper Patapsco aquifer. Impacts on the resource and nearby users were evaluated using data from geological reports and investigations available to the Water and Science Administration. The results indicate that pumping of the maximum requested allocation may lower the water about 6.2 feet at a distance of about 0.25 miles away from a central pumping well. No unreasonable impacts to other users of the resource are anticipated.
