KI HERITAGE SOCIETY REQUEST FOR MHT GRANT SUPPORT:

On a motion made by Commissioner Dumenil, seconded by Commissioner Moran, the Board unanimously agreed to sign the support letter to the Kent Island Heritage Society for a capital grant to purchase the Historic Stevensville Bank.

The Commissioners of Queen Anne’s County strongly support the application of the Kent Island Heritage Society (KIHS) for a capital grant to acquire the Historic Stevensville Bank. KIHS has leased the Bank for many years to operate and show as an important historic site on Kent Island and now has the opportunity to acquire the Bank which is up for sale. The Bank is located among a number of unique sites in the Stevensville Historic District already owned by KIHS. These sites continue to demonstrate and preserve the small-town heritage of Stevensville and are a strong tourist attraction. Acquisition of the Bank by the Heritage Society will allow the building and its unique assets to be permanently preserved and add to the unique historic character of the town.

Queen Anne’s County places a high priority on heritage tourism. We are currently developing new plans and programs to increase that emphasis, both in our County Economic and Tourism Development operation and in the update of the County’s Comprehensive Master Plan. We consider the Kent Island Heritage Society an important partner in our current and future heritage tourism strategy and the Bank an important part of that effort. The Bank will be able to provide an expanded tourism presence in Stevensville with increased tourism materials and displays supported by the County.

In summary, we view the KIHS acquisition and permanent preservation of the Historic Stevensville Bank as a real boost to Queen Anne’s County tourism and economic development. We strongly recommend approval of this grant.

10K CHESAPEAKE BAY BRIDGE RUN LETTER TO MTA:

On a motion made by Commissioner Moran, seconded by Commissioner J. Wilson, the Board unanimously agreed to sign the 10K Chesapeake Bay Bridge Run letter to the Maryland Transportation Authority. As part of the motion, Commissioner Dumenil asked questions and/or made comments on this topic.

This letter is in reference to the proposed Across the Bay 10K Chesapeake Bay Bridge Run to be held October 31, 2021. Our county staff has been working closely over the last few months with the organizers at Ironman Foundation, Inc. to investigate the possibility of hosting the Across the Bay 10K in 2021. After discussions with our Health Officer and vetting some of the necessary precautions related to the COVID- 19 pandemic in accordance with the CDC guidelines, Queen Anne’s County supports the choice to move forward with the event. The County does not foresee any COVID-19 restrictions that would preclude the Across the Bay 10K from safely occurring in October 2021.

As in years past, we will continue to provide support and cooperation with all parties involved in the run. Now more than ever, this event will provide a much need boost to our local economy as we continue to recover from the financial repercussions of the pandemic. This event offers a unique opportunity to showcase the State of Maryland and Queen Anne’s County as participants come from all over to run the Bridge. Our local hotels, restaurants, retail, and various tourism attractions would also welcome this event in October. Iron Man has also assisted many of our local nonprofits with opportunities to raise funds and participate in the festivities.

Queen Anne’s County is looking forward to working with all our partners in preparation for the event to help ensure a safe and successful race day. Should you have any additional questions or information needs, please let us know. We look forward to hearing from you.
