MEMORANDUM

Date: April 2, 2019

To: Sanitary Commission

ACTION ITEM

From: Todd Mohn

Re: FY 20 Sewerage and Water Rate Increase

In 2011, the Sanitary Commission adopted resolutions that capped the annual rate escalator at 6.5% for sewer fees and 5.5% for water fees for "all subdistricts". The resolutions had language indicating that these increases will take effect automatically on July 1 "unless the County Commissioners determine by resolution prior to July 1 of each year that the rates will increase by a lesser percentage". Note this Resolution preceded the creation of the Southern Kent Island (SKI) subdistrict. If you will recall, the intent was to not raise SKI rates until all four phases were constructed unless absolutely necessary.

In order to keep the rate increase at 2.5% for both water and sewer fees for the upcoming FY 20 budget (as it was submitted excepting the SKI subdistrict), the Board must pass a motion similar to what is provided below.

Please note the County Attorney has indicated an approved motion will satisfy the resolution requirement.

I move to set the annual sewer and water operations & maintenance rate escalator for all Sanitary District rate schedules for the FY 20 budget year at 2.5%, with the exception of the Southern Kent Island subdistrict which shall see no increase in rates.
