Considerations for Restaurants & Bars: <https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/business-employers/bars-restaurants.html>
- Customer dining/seating proximity will be in accordance with CDC guidelines, state executive orders, and local ordinances.
- Waiting areas will be appropriately distanced; parties of 6 or less (unless members of the same household) should be spaced 6 feet apart.
- Cleaning/disinfection of all common touch spaces, restrooms, and other surfaces will be FREQUENT/in accordance with CDC guidelines.
Reopening Guidance for cleaning and Disinfecting Public Spaces, Workplaces, Businesses, Schools, and Home
<https://www.cdc.gov/coronavirus/2019-ncov/community/reopen-guidance.html>
- Expectations for Customers regarding waiting area, seating, social distancing and other standards will be posted on site.
This will include social distancing protocols such as when and if to wear face coverings, party size limit (6 or less), etc.
- Formal plans will be implemented for vendors to bring products safely into the business (and during times with least #s of patrons)
- Employees will wear face coverings during ANY/ALL interactions with customers/guests--even if outdoors.
- Employees will wear gloves when moving food service items and wash their hands immediately afterward.
- Wait and order stations will be wiped down/disinfected after EACH use.
- Buffet-style food serving will NOT take place; disposable menus, plates and utensils will be used to the greatest extent possible.
- A 6-foot marking system will be implemented to include visual indicators (tape on ground, etc.); 6-foot distance shall be defined as "from back of chair at one table to back of chair at the next closest table."
- Foot traffic in highly-trafficked areas will be designated with sign posts or other markers (i.e., taped arrows on ground, etc.)
- Reservation systems will be used TO THE GREATEST EXTENT POSSIBLE (i.e., customers may wait in their cars until their table is called)
- Congregation in common areas will be controlled/prevented -- through constant oversight and through appropriate signage.
- Management is responsible for ensuring patrons follow social distancing and facial covering orders.
- Parking allocations will be maintained if parking lots/areas will be used for outdoor seating (one ADA spot available per 25 spots)
- A manager/staff member will be appointed during all hours of operation (open to the public) to ensure all requirements above are met.

B. Additional Requirements - For New/Modification Applications Only:

- Attach a copy of your site plan that includes the following:
 - Sample sketch of existing or proposed outdoor seating area--to include parking lot
 - Proof of liability insurance covering outdoor seating area/parking lots, as appropriate
 - Square footage of seating area(s) and number of seats (maximum capacity)
 - Marked locations for pedestrian and vehicle access (Note: Existing/approved ADA access, fire life safety egress points and emergency vehicle access points cannot be blocked; interior ADA access points and exits cannot be blocked as well)
- Any changes to or new applications for permitting should be directed to QAC Department of Planning and Zoning: (<https://www.qac.org/234/Planning-Zoning>)
- Any changes to or new applications for liquor licensure should be directed to the QAC License Commission/Liquor Board: (<https://www.qac.org/602/Board-of-License->) (Note: New/modification applications should be sent to Planning & Zoning first)
- If any of your re-opening plan includes operations on adjacent properties NOT under your current ownership/lease, proof of authorization must be attached (i.e., copy of letter from current owner/landlord, etc.)
- New/revised liquor-licensed outdoor seating plans must complete the **Temporary Expansion of Outdoor Dining Requirements Form**.
