

Chester Harbor Property Owners Association, Inc.
07-20

WHEREAS the Chester Harbor Property Owners Association, Inc., is a non-profit corporation organized to represent the interests of the property owners of Chester Harbor,

AND WHEREAS the State of Maryland has proposed a bypass around the Town of Chestertown, MD,

AND WHEREAS this proposed bypass would connect to Chester Harbor, Queen Anne's County via a new bridge over the Chester River and a Limited Access Parkway dividing the contiguous neighborhoods of Chester Harbor and Kingstown,

AND WHEREAS the proposed route of this bypass would close Fey Road, the major northern access route to Chester Harbor to through traffic, and the possibility that Round Top Road, the major southern access route to Chester Harbor may be closed to through traffic, thus increasing to unacceptable lengths of time the response of emergency service vehicles such as police, fire, ambulance and paramedics,

AND WHEREAS the proposed route and new bridge and especially its approach from the Kent County side would disturb environmentally sensitive wetlands,

AND WHEREAS Queen Anne's County Commissioners have consistently opposed the proposed route of this bypass,

AND WHEREAS the Chester Harbor Property Owners Association has consistently opposed the proposed route of this bypass,

THEREFORE BE IT RESOLVED That the Chester Harbor Property Owners Association, by vote at its Annual Membership Meeting held this twentieth day of September, 2007, restates its continued opposition to the proposed route of the Chestertown Bypass,

AND BE IT FURTHER RESOLVED that the Chester Harbor Property Owners Association calls upon the Queen Anne's County Commissioners to continue their opposition to the proposed route of the bypass,

AND BE IT FURTHER RESOLVED that the Chester Harbor Property Owners Association calls upon the Queen Anne's County Commissioners to renew discussions with the Town of Chestertown, The County of Kent and the State of Maryland to find an alternative route for the Bypass.
