RECITALS

Title VI of the Federal Water Pollution Control Act, as amended by the Water Quality Act of 1987 (the "Clean Water Act"), authorizes the United States Environmental Protection Agency (the "EPA") to award grants to qualifying states to establish and capitalize state water pollution control revolving funds ("SRFs") for the purpose of providing loans and certain other forms of financial assistance to finance, among other things, the construction and improvement of publicly-owned wastewater treatment facilities and the implementation of estuary conservation management plans and the implementation of nonpoint source management programs.

As contemplated by the Clean Water Act, the General Assembly of Maryland, at its 1988 session, enacted the Maryland Water Infrastructure Financing Administration Act (previously known as the Maryland Water Quality Financing Administration Act), codified at Sections 9-1601

through 9-1622 of the Environment Article of the Annotated Code of Maryland (as amended, the “Act”), establishing the Maryland Water Infrastructure Financing Administration (the “Administration”) and establishing an SRF designated the Maryland Water Quality Revolving Loan Fund (the “Fund”) to be maintained and administered by the Administration. The Act authorizes the Administration, among other things, to make a loan from the Fund to a “local government” (as defined in the Act) for the purpose of financing all or a portion of the cost of a “wastewater facility” (as defined in the Act).

Queen Anne’s County, Maryland a body politic and corporate of the State of Maryland (the “Borrower”) is a “local government” within the meaning of the Act. The Borrower has applied to the Administration for loans from the Fund to assist in the financing of a certain project of the Borrower which constitutes a “wastewater facility” within the meaning of the Act. As contemplated by the Act, the Administration and the Borrower will enter into a loan agreement to effect and evidence the loan. The Borrower has determined that it will issue its bond, which bond will constitute a “loan obligation” within the meaning of the Act, to evidence its payment obligations under the loan agreement.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF QUEEN ANNE’S COUNTY:

Section 1. Pursuant to the authority of the Maryland Water Infrastructure Financing Administration Act (codified as Sections 9-1601 to 9-1622, inclusive, of the Environment Article of the Annotated Code of Maryland (2014 Replacement Volume and 2023 Supplement)) (as amended, the “Act”), and Sections 24-42 through 24-51 of the Queen Anne’s County Code (the “Public Local Law”), Queen Anne’s County, Maryland, a body politic and corporate of the State of Maryland (the “Borrower”), hereby determines to borrow money in the maximum principal amount not to exceed Twelve Million Thirty Thousand One Hundred Eighty-Nine Dollars (\$12,030,189) (the “Loan”) and incur indebtedness for the public purpose of financing or

refinancing improvements to the wastewater system and related architectural, financial, legal, planning and engineering expenses permitted under the Clean Water Act, as described in Exhibit A (the “Project”). The Project constitutes a “wastewater facility” within the meaning of the Act.

Section 2. (a) As contemplated by the Act, the Loan shall be made and incurred in accordance with the provisions of a loan agreement (the “Loan Agreement”) between the Borrower and the Administration. The Loan Agreement is approved in substantially the form set forth in Exhibit B attached hereto as a part hereof, with such insertions, omissions or variations as may be deemed necessary or appropriate and approved by the officers executing the same (their execution of the Loan Agreement to constitute conclusive evidence of such approval). The Borrower hereby approves the form of and authorizes the execution and delivery of the Loan Agreement by the President of the Board of County Commissioners of Queen Anne’s County (the “Board”) in substantially the form set forth in Exhibit B, including all covenants and conditions set forth therein.

(b) To evidence the payment obligations of the Borrower under the Loan Agreement, the Borrower, acting pursuant to the authority of the Act and the Public Local Law hereby determines to issue and sell, upon its full faith and credit, a general obligation bond, in a maximum principal amount not to exceed Twelve Million Thirty Thousand One Hundred Eighty-Nine Dollars (\$12,030,189), to be known as “Queen Anne’s County Sanitary District Water Quality Bond, Series 2024” (with such modifications or other designations or titles as may be agreed to by the Borrower and the Administration) (the “Bond”). The Bond shall be dated the date of delivery and shall be issued in the form of one fully registered installment bond, without coupons attached, numbered R-1. The Bond, which is tax-exempt, shall bear interest at a rate not to exceed 25% of the average of the Bond Buyer 11-Bond Index for the month preceding the date of delivery. The scheduled payments of principal on the Bond, including the maturity date of the Bond, shall be determined by the Administration with the approval of the President of the Board. Prepayments may be made as provided in the Loan Agreement. Interest due on the unpaid

principal amounts advanced under the Loan Agreement shall accrue on the basis of a 30-day month, 360-day year from the date of the respective advances of such principal amount and interest shall be paid semiannually in each year until the principal amount has been paid. The interest payment dates shall be determined by the Administration with the approval of the President of the Board.

(c) The Bond shall be executed in the name of the Borrower and on its behalf by the President of the Board. The corporate seal of the Borrower shall be affixed to the Bond, attested by the signature of the Clerk to the Board (the "Clerk"). The principal of and interest on the Bond shall be paid by the Borrower by electronic funds transfer, check or draft mailed (by depositing such check or draft, correctly addressed and postage prepaid, in the United States mail before the payment date) to the registered owner at its address as it appears on the books kept for that purpose at the office of the County Administrator in Centreville, Maryland. In the event any official whose signature appears on the Bond or the Loan Agreement ceases to be an official prior to the delivery of the Bond or the Loan Agreement, or shall have become such official after the date of this Resolution, the Bond and the Loan Agreement shall, nevertheless, each be a valid and legally binding obligation of the Borrower in accordance with its terms.

(d) Except as provided hereinafter or in a Resolution or Resolutions of the Borrower adopted prior to the issuance of the Bond, the Bond shall be issued in substantially the form set forth in Exhibit C. Appropriate variations and insertions shall be made to provide dates, numbers and amounts, and modifications not materially altering the substance of this Resolution may be made by the President of the Board. All of the covenants contained in Exhibit C are hereby adopted by the Borrower as and for the form of obligation to be incurred by the Borrower, and the covenants and conditions contained therein are hereby made binding upon the Borrower, including the promise to pay therein contained.

Section 3. The Bond shall be sold to the Administration at a private (negotiated) sale, without public bidding, in accordance with the provisions of the Act. The President of the Board is authorized and directed to enter into such agreements with the Administration as he shall deem to be in the best interests of the Borrower in order to accomplish the public purposes of this Resolution.

Section 4. The Loan Agreement and the Bond shall be executed on behalf of and in the name of the Borrower by the President of the Board. The corporate seal of the Borrower shall be affixed to the Loan Agreement and the Bond, attested by the signature of the Clerk. The principal of and interest on the Bond shall be paid by the Borrower when due in accordance with the terms and conditions of the Loan Agreement and Bond. The Loan Agreement and the Bond shall be valid and legally binding obligations of the Borrower enforceable in accordance with their respective terms.

The officers of the Borrower authorized to execute the Loan Agreement and the Bond are expressly authorized to execute and deliver from time to time (a) such amendments to the Loan Agreement as shall be deemed necessary or appropriate by such officers to cure any defect or ambiguity therein, to add any provision thereto beneficial to the Borrower or to comply with Administration practices and policy from time to time and (b) such amendments to the Bond (or a new Bond or Bonds in replacement thereof) in accordance with the Loan Agreement and such Bond as shall be necessary to provide for the reamortization of the principal installments due thereunder, as applicable, in the event that the total amount advanced thereunder shall be less than the maximum principal amount of such Bond, so long as neither the aggregate principal amount of such Bond, the amount of any principal installment thereunder in any year, nor the interest rate thereon shall be increased.

Section 5. The President of the Board is expressly authorized and empowered to take any and all action necessary or appropriate to complete and close the delivery of the Bond.

The President of the Board is expressly authorized to make such changes or modifications in the forms adopted herein as may be necessary or appropriate.

Section 6. The County Administrator of the Borrower or, in his absence, the President of the Board, is hereby designated to receive payment on behalf of the Borrower of the proceeds of the sale of the Bond. Such proceeds shall be used and applied by the Borrower exclusively and solely for the public purposes described in Section 1 of this Resolution. If the proceeds received from the sale of the Bond exceed the amount needed for such public purposes, the unexpended excess shall be applied as soon as may be practicable to the prepayment of the Bond as provided for in this Resolution for the Loan Agreement, unless a supplemental resolution is passed and approved by the Board to provide for the expenditure of that excess for some other valid purpose authorized by the Act and the Public Local Law.

Section 7. For the purpose of paying the maturing principal of and interest on the Bonds when due, the Borrower has established or shall establish a dedicated source of revenues as described in the Loan Agreement. In the event that such revenues are insufficient to meet the debt service requirements in any fiscal year in which the Bond is outstanding, the Borrower shall levy in such year upon all real and tangible personal property within its corporate limits subject to assessment for taxation ad valorem taxes in rate and amount sufficient to meet and pay promptly the principal of and interest on the Bond in each such fiscal year. If the proceeds from the collection of taxes so levied in any such fiscal year are inadequate for such payment, additional taxes shall be levied in the succeeding fiscal year to make up such deficiency. The full faith and credit and unlimited taxing power of the Borrower are hereby irrevocably pledged to the payment of the principal of and interest on the Bond as and when they become due and payable and to the levy and collection of the taxes hereinabove described as and when such taxes may become necessary in order to provide sufficient funds to meet the debt service requirements of the Bond. The Borrower hereby covenants and agrees with the registered owners of the Bond to levy and collect the taxes hereinabove described and to take any further action that may be appropriate from

time to time during the period that the Bond remains outstanding and unpaid to provide the funds necessary to pay promptly the principal thereof and the interest due thereon. Furthermore, as authorized by Section 9-1606(d) of the Act, the Borrower hereby agrees to pledge any moneys that the Borrower is entitled to receive from the State of Maryland, including the Borrower's share of the income tax revenues collected by the State of Maryland, to secure its obligations under the Loan Agreement, subject to any limitations on such pledge provided for in the Loan Agreement in accordance with this Section 7. Such pledge shall be evidenced by and detailed in the Loan Agreement.

Section 8. The President of the Board and the County Administrator shall be the certifying officials for the Borrower responsible for the execution and delivery on the date of the issuance of the Bond of a certificate of the Borrower (the "Tax and Section 148 Certificate") that complies with the requirements of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code") and the applicable regulations thereunder (the "Arbitrage Regulations"). They are hereby authorized and directed to execute and deliver the Tax and Section 148 Certificate to counsel rendering an opinion on the validity of the Bond on the date of its issuance. The Tax and Section 148 Certificate shall set out the reasonable expectations of the Borrower as to relevant facts, estimates and circumstances relating to the use of the proceeds of the Bond or of any moneys, securities or other obligations to the credit of any account of the Borrower which may be deemed to be bond proceeds under Section 148 of the Code or the Arbitrage Regulations (collectively, the "Bond Proceeds"). The Borrower covenants with the owner of the Bond that the facts, estimates and circumstances set forth in the Tax and Section 148 Certificate will be based on the Borrower's reasonable expectations on the date of the issuance of the Bond and will be, to the best of the certifying official's knowledge, true, correct and complete as of that date.

Section 9. The Borrower covenants and agrees with the registered owner of the Bond that it will not make, or (to the extent that it exercises control or direction) permit to be made, any use of the Bond Proceeds that would cause the Bond to be an "arbitrage bond" within the

meaning of Section 148 of the Code and the Arbitrage Regulations. The Borrower further covenants that it will comply with Section 148 of the Code and the regulations thereunder which are applicable to the Bond on the date of its issuance and which may subsequently lawfully be made applicable to the Bond. The Borrower further covenants that it shall make such use of the proceeds of the Bond, regulate the investment of the proceeds thereof, and take such other and further actions as may be required to maintain the excludability from gross income for federal income tax purposes of interest on the Bond. Without limiting the generality of the foregoing, the Borrower further covenants with the registered owner of the Bond that it will not take any action or (to the extent that it exercises control or direction) permit any action to be taken that would cause the Bond (or any portion thereof) to be "federally guaranteed" within the meaning of Section 149(b) of the Code, and that it will not make, or (to the extent that it exercises control or direction) permit to be made, any use of the proceeds of the Bond (or any portion of such proceeds) that would cause the Bond (or any portion thereof) to be "private loan bond" within the meaning of Section 141(c) of the Code. All officers, employees and agents of the Borrower are hereby authorized and directed to take such actions, and to provide such certifications of facts and estimates regarding the amount and use of the proceeds of the Bond, as may be necessary or appropriate from time to time to comply with, or to evidence the Borrower's compliance with, the covenants set forth in this Section.

Section 10. The President of the Board may make such covenants or agreements in connection with the issuance of the Bond on behalf of the Borrower as he/she shall deem advisable in order to assure the registered owner of the Bond that interest thereon shall be and remain excludable from gross income for federal income tax purposes, and such covenants or agreements shall be binding on the Borrower so long as the observance by the Borrower of any such covenants or agreements is necessary in connection with the maintenance of the exclusion of the interest on the Bond from gross income for federal income tax purposes. The foregoing covenants and agreements may include such covenants or agreements on behalf of the Borrower

regarding compliance with the provisions of the Code as the President of the Board shall deem advisable in order to assure the registered owner of the Bond that the interest thereon shall be and remain excludable from gross income for federal income tax purposes, including (without limitation) covenants or agreements relating to the investment of Bond Proceeds, the payment of certain earnings resulting from such investment to the United States, limitations on the times within which, and the purpose for which, Bond Proceeds may be expended, or the use of specified procedures for accounting for and segregating Bond Proceeds. The President of the Board may also make such elections on behalf of the Borrower under the Code as he shall deem advisable in connection with the issuance of the Bond. Such covenants, agreements and elections may be set forth in the Tax and Section 148 Certificate.

Section 11. The Borrower hereby covenants and agrees to pay all administrative fees and expenses charged by the Administration under the Loan Agreement.

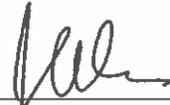

Section 12. In accordance with the requirements of Section 24-46 of the Public Local Law, the Borrower hereby finds, determines and confirms that after the execution of the Loan Agreement and the issuance of the Bond, the total bonded indebtedness under said Section 24-46 of the Public Law, less the amount of any sinking funds or reserves for bonds previously issued, shall not exceed fifteen percent (15%) of the total assessed values of all property in Queen Anne's County subject to unlimited taxation by the Borrower during the fiscal year of the Borrower most recently concluded.

Section 13. This Resolution shall be effective from the date of its adoption.

If the Administration determines at any time to reduce the maximum amount of the Loan Commitment (as defined in the Loan Agreement) in accordance with Section 3.08 of the Loan Agreement, the Maximum Principal Amount shall be reduced accordingly and the Maximum Principal Amount as so reduced shall be amortized on the same basis as the foregoing payment in accordance with Section 3.08 of the Loan Agreement. The Administration shall deliver, and the Borrower shall acknowledge in writing, a certificate setting forth such reamortized payment schedule, which shall be attached hereto and shall replace and supersede for all purposes the foregoing payment schedule. Any such reduction shall not affect the obligation of the Borrower to pay the principal of and interest on this bond as and when the same shall become due.

Notwithstanding the foregoing, all outstanding unpaid principal amounts advanced under the Loan Agreement, if not previously due hereunder, shall be due on that date which is the lesser of the useful life of the Project as determined by the Administration in its sole and absolute discretion or 30 years after the date of completion of the Project (as defined in the Loan Agreement), as certified by the Borrower to the Administration pursuant to Section 2.02(d) of the Loan Agreement.

Interest at the Default Rate shall accrue on the basis of a 30-day month, 360-day year.

This bond is subject to prepayment only in accordance with Section 3.10 of the Loan Agreement.

Both the principal of and interest on this bond will be paid to the registered owner in lawful money of the United States of America, at the time of payment, and will be paid by electronic funds transfer, or by check or draft mailed (by depositing such check or draft, correctly addressed and postage prepaid, in the United States mail before the payment date) to the registered owner at such address as the registered owner may designate from time to time by a notice in writing delivered to the Clerk of the Board of County Commissioners of Queen Anne's County (the "Clerk").

This bond, together with the Loan Agreement, evidences the Loan (as defined in the Loan Agreement) to the Borrower from the Maryland Water Infrastructure Financing Administration. In accordance with the Loan Agreement, the principal amount of the Loan, being the amount denominated as principal under this bond, is subject to reduction or adjustment by the Administration in accordance with the Loan Agreement.

The full faith and credit and unlimited taxing power of the Borrower are hereby irrevocably pledged to the prompt payment of the principal of and interest on this bond according to its terms, and the Borrower does hereby covenant and agree to pay the principal of and interest on this bond at the dates and in the manner prescribed herein.

The Borrower shall, within a reasonable time, issue in the name of the transferee a new registered bond or bonds, in such denominations as the Borrower shall by resolution approve, in an aggregate principal amount equal to the unpaid principal amount of the bond or bonds surrendered and with the same maturities and interest rate. If more than one bond is issued upon any such transfer, the installment of principal and interest to be paid on each such bond on each payment date shall be equal to the product of the following formula: the total installment due on each payment date multiplied by a fraction, the numerator of which shall be the principal amount of such bond and the denominator of which shall be the aggregate principal amount of bonds then outstanding and unpaid.
