

Queen Anne's County Parks and Recreation has been working diligently to improve our Park system. **Some of the major projects that were completed in 2022 were**

- Installed field lighting on the bermuda fields at White Marsh Park.
- Replaced the playground at Route 18 Park.
- Installed a Ranger Station and Restroom facility at Terrapin Nature Park.
- 10 new pickleball courts installed at Mowbray Park
- Remodeled the courts at Grasonville Park to include 1 tennis, 2 pickleball, and 1 basketball court.
- Upgraded the lighting at Mowbray pickleball courts.
- Installed new lighting for the tennis courts at Old Love Point Park.
- Paved Grasonville Park trail and parking lot.
- New ballfield fencing was installed at Route 18, Batts Neck and Old Love Point Park.
- Installed an irrigation well at White Marsh Park.
- Installed a pole barn at Terrapin Maintenance Shop.
- Installed natural area protective fencing at Terrapin Nature Park and Matapeake Beach.
- Paved the Fallen Hero's Memorial parking lot.
- Installed new greenhouse cover at Conquest.
- Exterior renovations completed at Matapeake Clubhouse.
- Trail repair and sealcoat for Route 18 and Sulderville Park Trails.
