

Queen Anne's County Parks and Recreation has been working diligently to improve our Park system. **Some of the major projects that were completed in 2023 were**

- Renovate the courts at Round Top Park to host two pickleball and one basketball court.
- Replace basketball court lights at Pinkney Park.
- Color coat and stripe the basketball court at Pinkney Park.
- Wrap the Crumpton Shop building siding.
- Install roofs for various ballfield dugouts.
- Install a new artificial turf field at Batts Neck and Church Hill Park.
- Refurbish the existing two tennis courts at Sudlersville Park to become one tennis and two pickleball courts.
- Remove two basketball courts at Sudlersville Park and replace with one basketball and one futsal court.
- Replaced the dasher boards at Batts Neck In-Line Hockey Rink.
- Pave, color coat, and stripe Batts Neck In-Line Hockey Rink.
- Replace Round Top court fencing and fabric.
- Installed an opioid awareness trail at Route 18 Park.
