

Queen Anne's County Parks and Recreation has been working diligently to improve our Park system. **Some of the major projects that were completed in 2021 were:**

- Replace ballfield lights at Old Love Point, field 4.
- With help from volunteers, planted 12,000 tree whips at Blue Heron Nature Preserve.
- Paved, striped, and installed standards for
 - 2 Basketball courts at Old Love Point Park
 - 2 Basketball courts at Pinkney Park
 - 2 Basketball courts at Church Hill Park
 - 2 Tennis court with 4 pickleball overlays at Round Top Park
- Seal coated the Cross Island Trail
- Hosted a Ribbon Cutting Ceremony for Opioid Awareness to showcase the new plantings, **memorial benches and purple color coating along the trail at Old Love Point**
- In partnership with QAC Library we installed stands for their Story Walk program along the trails at Rt.18, Sudlersville, and Long Point Parks.
- Revamped the parking lot island at Wells Cove.
- Batts Neck parking lot was repaved and installed new parking lot islands with fencing and plantings.
- Remodeled the bathroom inside and out at Batts Neck Park.
- Reestablished a 90' ball diamond at Batts Neck with a grass infield.
- Renovated ball diamond infields at Rt.18 and White Marsh Park.
- Removed invasive trees along the Cross Island Trail near Kent Narrows and replanted with Crepe Myrtles.
- In partnership with MORE, created the Off-Road Trail @ Terrapin.
- Replaced the ballfield backstops at Old Love Point, Field 3 and 4.
- Replaced the homerun fence at Old Love Point, Field 3.
- New homerun fence installed at Rt.18, Field 4.
- Created a natural surface trail at Crumpton Park.
