NOW, THEREFORE, BE IT ENACTED BY THE BOARD OF COUNTY COMMISSIONERS OF QUEEN ANNE'S COUNTY:

Section 1. Queen Anne's County, Maryland (the "County") is hereby authorized and empowered to borrow money and incur indebtedness for the public purposes described in Section 2 hereof, at one time or from time to time as the County may determine, in an aggregate principal amount not exceeding THIRTEEN MILLION DOLLARS (\$13,000,000), and to evidence such borrowing by the issuance and sale, at public or private sale, upon its full faith and credit, of its general obligation bonds in like par amount.

Section 2. The net proceeds from the sale of the bonds authorized to be issued hereunder shall be used and applied for financing or refinancing, in whole or in part, one or more of the following projects (which shall include design, engineering, planning, fiscal, and legal expenses related thereto whether or not specifically stated, and which may represent the County's share or contribution to the financing or refinancing of such projects):

Proceeds from the sale of the bonds authorized to be issued hereunder may also be used to pay costs of issuing such bonds. If the proceeds received from the sale of the bonds exceed the amount actually expended or required for such public purposes, the amount of such unexpended excess shall be set apart in a separate fund and applied to the payment of the next principal maturity of the bonds of that issue or to the redemption of bonds of that issue or to the purchase and cancellation of bonds of that issue or to otherwise provide for payment of debt service on that issue, unless a resolution is adopted by the Board of County Commissioners to provide for the expenditure of that excess for some other valid purpose authorized by law.

Section 3. Prior to issuing all or any part of the bonds authorized to be issued hereunder, the Board of County Commissioners of Queen Anne's County shall adopt a resolution containing all of the provisions required under Section 19-504(d) of the Local Government

Article of the Annotated Code of Maryland (2013 Replacement Volume and 2016 Supplement) (the “Code”). The resolution may also contain such other provisions as the Board of County Commissioners may deem appropriate. The resolution may be adopted by the Board of County Commissioners at any time after the enactment of this public local law and the appropriate officers of the County may take any action deemed appropriate to effect the timely issuance and sale of the bonds pursuant to the resolution at any time after the enactment of this public local law, provided only that the resolution may not become finally effective until the effective date of this public local law. The bonds may be sold on any date or dates after the effective date of this public local law.

Section 4. For the purpose of satisfying the debt service requirements on the bonds, the County shall levy for each and every fiscal year during which any of the bonds may be outstanding ad valorem taxes upon all real and tangible personal property within its boundaries subject to assessment for unlimited County taxation in rate and amount sufficient to provide for the prompt payment of the principal of and the interest on the bonds maturing in each fiscal year; and, in the event the proceeds from the collection of the taxes so levied in any such fiscal year prove to be inadequate for such purpose, additional taxes shall be levied in the subsequent fiscal year to make up any deficiency.

The full faith and credit and unlimited taxing power of the County are hereby irrevocably pledged to the prompt payment of the maturing principal of and interest on the bonds as and when the same become due, and to the levy and collection of the taxes hereinabove described as and when such taxes become necessary in order to provide sufficient funds to meet the debt service requirements of the bonds. The County hereby covenants with each holder of any of the bonds to take any action that may be appropriate from time to time during the period that any of

the bonds remain outstanding and unpaid to provide the funds necessary to make the principal and interest payments due thereon and further covenants and agrees to levy and collect the taxes hereinabove described.

Section 5. The bonds authorized to be issued hereunder are hereby specifically exempted from the provisions of Sections 19-205 to 19-206, inclusive, of the Code.

Section 6. The County is hereby authorized pursuant to Section 19-207 of the Code (the “**Refunding Act**”) to issue its bonds (“**Refunding Bonds**”) for the purpose of refunding any bonds issued hereunder. The aggregate principal amount of Refunding Bonds shall not exceed 120% of the principal amount of the bonds being refunded. The validity of any such Refunding Bonds shall in no way be dependent upon or affected by the validity or invalidity of the obligations so refunded.
